TO BE COMPLETED BY PHYSICIAN: MEDICAL CERTIFICATION

BALTIMORE, MARYLAND 21215-0020

DIVISION OF VITAL RECORDS, P.O. BOX 68760,

THE FUNERAL DIRECTOR: The law requires that the death certificate be executed within 24 hours after death. Page 6 may be retained by the hospital or attending physician. The funeral director, after this certificate has been signed by the attending physician and completely filled in by the funeral director, page 5 should be detached for use as the burial-transit permit. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal.

IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques.

3. The third part of the report is a discussion of the results of the study. It presents the findings of the research and compares them with the previous studies in the field.

4. The fourth part of the report is a conclusion and a list of references. The conclusion summarizes the main findings of the study and provides recommendations for future research. The references list the sources of information used in the study.

5. The fifth part of the report is an appendix containing additional information related to the study. This may include raw data, detailed calculations, or other supporting materials.

6. The sixth part of the report is a bibliography of the literature cited in the study. This provides a comprehensive list of the sources used in the research.

7. The seventh part of the report is a list of figures and tables. This provides a visual representation of the data and results of the study.

8. The eighth part of the report is a glossary of terms. This defines the key terms and concepts used in the study to ensure clarity and consistency.

9. The ninth part of the report is a list of abbreviations. This provides a shorthand for the various terms and concepts used throughout the document.
